

# No More Deaths • No Más Muertes

*Humanitarian Aid is Never a Crime*

Dear Friend of No More Deaths,

During this challenging time, we extend our sincere wishes for your health and well-being and offer heartfelt gratitude for your support of No More Deaths/ No Más Muertes. Through your generosity, we are able to stand in solidarity with migrants by providing humanitarian and legal aid. Your support also aids us in our mission of ending death and suffering in the U.S.-Mexico borderlands. We want to express our gratitude and answer any questions by offering you a welcome packet that explains different aspects of No More Deaths/No Más Muertes. We hope that you will find this information useful in order to better understand our work.

Moving forward, we invite you to stay engaged in this work with us. Joining [our email list](#) and opting to receive emails is a great way to stay updated. The welcome packet also provides valuable information about the opportunities to volunteer within all our programs. They include Desert Aid, Search & Rescue, Missing Migrant Hotline, Legal Aid, Northern Mexico projects, Fundraising, Finance, Human Resources, and Media. If you'd like more information or to sign up to volunteer, please do so through the volunteer form that you will find in your welcome packet or email [volunteer@nomoredeaths.org](mailto:volunteer@nomoredeaths.org).

We recognize that all of us face uncertain difficulties in the coming months. COVID-19 respects no border as it makes its way across the world. Migrating people are especially vulnerable as their ongoing crisis is now compounded by this pandemic. No More Deaths and other border justice groups are uniquely challenged to find ways to continue providing humanitarian aid while "sheltering in place" and "social distancing" mandates are in effect. We are finding ways to do that. We are taking a lesson from our migrant brothers and sisters who have much to teach us about resilience and determination in difficult times.

Finally, your financial support keeps our humanitarian work going when it's most needed. If you are supporting locally or from a distance - thank you for engaging with the issue of immigration and migrant justice by being with us at this critical time.

In solidarity,

The No More Deaths/ No Más Muertes Community
